12 Civ. 8450 (JMF)

ORDER

JESSE M. FURMAN, United States District Judge:

At the evidentiary hearing scheduled to begin at **9:00 a.m.** on **August 7, 2013**, the parties should be prepared to address the scope of the injunction limiting Defendants' contact with prospective class members, in the event that the Courts grants this relief. Specifically, the parties should be prepared to address whether any injunction should prohibit Defendants from communicating with prospective class members "about any tax or other legal issues relating to this lawsuit" – as Plaintiffs request – or whether the injunction should be more narrowly tailored, considering the nature of any ongoing business relationships between Defendants and prospective class members and the need for these individuals to discuss tax and other legal issues in the normal course of those relationships.

SO ORDERED.
